Coach McNeil at age 10

Coach Jon McNeil

Mr. Jon McNeil is the coach of our outstanding Water Polo and Swim teams. During the last few years at Charter Oak, Coach McNeil has led both teams to many victories and league championships. He spends many hours before and after school and sometimes even weekends preparing his teams members for upcoming games and swim meets.

Coach McNeil, who has lived in Southern California all of his life, has been swimming since the age of 10. He continued swimming in high school and was on the Water Polo and Swim teams at Citrus College. Later he attended California State Polytechnic University and was on the CCAA championship team. Coach McNeil then went to La Verne College and obtained his teaching credential.

He enjoys backpacking, bicycling, body surfing, good food and spending time with his wife Renette. Coach McNeil has a secret desire to grow a beard and to live at the beach where he was once a lifeguard.

The 1977 Sheild Staff is privileged to dedicate this year's yearbook to Mr. Jon McNeil.

Robin,
Your a real
sweet person and
I'm glad that I had
you in my G.B.R. class.
Stay happy and be good

I'll see you next year.

This year's homecoming was held October 8. The court included Kathy Schneider, Kathy Novak, Cari White, Carla Gant and Lori Rugee. Last year's queen, Peggy Cunningham, was there to crown this year's queen, Kathy Schneider.

The honored guest was Chuck Henry of the Channel 7 Eyewitness News Team. Chuck Henry graduated from Charter Oak in 1963.

After the victorious game, a dance was held in the queen's honor and Chuck Henry did a live newscast from C.O. for that night's 11:00 news.

An Outstanding Year for the Choir

The Charter Oak High School A Cappella Choir, under the direction of Mr. Leonard Cesene, has earned a tremendous reputation - not only in the community but throughout Southern California. During the year the choir performs various concerts at school, churches, service clubs, and other organizations. The students in choir look forward to occasional tours, annual recordings, and during Christmas the candlelight procession at Disneyland. This years choir officers are; President Junita Cunningham, Vice President Lesa Alatorre, Treasurer Liz Elliot, Secretary Michelle Chandler and Donna Ezechiels. The Sargents at Arm are Matt Brown and Dennis Connely. Mrs. Vickie Krajcir a past graduate of Charter Oak, is accompanying the choir.

Cari, Liz, and Stacy sing trio at Christmas Concert

Kathy Bruder singing "The Christmas Song"

The Traditional Candlelight Procession is a ceremony which is held every Christmas at Disneyland. The Procession features a thousand carolers from select choirs in the Southern California area. The carolers present the Christmas Story with songs and narration. Each year a special guest is invited to narrate the Ceremony. This year's guest was actor Rock Hudson. The Charter Oak A Capella Choir has been invited to participate in this very special event for the past eighteen consecutive years. After a rehearsal in Disneyland's back lot and three months of preparation, the carolers were ready to present the performance. They marched down Main Streeet to the Train Station where they presented the Christmas program. After the performance, the Choir had a fantastic evening enjoying themselves at Disneyland.

the royal hunt of the sun

The Sun King, Atahuallpa, ruled his people from a dazzling gold sun throne. The Spaniards came in a ROYAL HUNT OF THE SUN to undermine the Incas' culture. Despite Spanish promises of his safety, the immortal Inca was killed. A society grounded in obedience fell to Pizarro, who treasured gold more than the ideal of personal freedom.

In November 1976, the C.O.H.S. Drama Department presented this spectacular drama. The play was entered in the fifth annual Southern California High School Theatre Festival, and was chosen one of the top three plays in the Southern California area.

Bank of America Awards

Robert Fung-Science & Mathematics; Prentiss Williams-Fine Arts; Stacy Smith-Liberal Arts; Paulette Hager-Vocational Arts

The Bank of America Awards were established in 1948 to recognize and honor outstanding high school seniors whose scholastic attainment, sense of responsibility and evidence of leadership give the most promise of future success and service to society. The selection process begins at the individual schools, where the top students are chosen in each of four general fields; Fine Arts, Liberal Arts, Science & Mathematics and Vocational Arts. While scholastic ability is a major factor in the selection, participation in school and community activities is also evaluated to reflect the student's total accomplishments. There are also certificates given in eleven other specific fields of study. General field winners receive personally engraved achievement plaques and become eligible for the Zone selection event. Zone winners compete in the Finals for cash awards totaling $13,000. Congratulations to all of you, and Good Luck in your future success!!!

The 1976-77 Drill Team

Advisor- Ms. Wetzel

The Drill Team this year was a little smaller than usual, but still was just as good. A few of the parades they went to this year and placed were Hawthorne- where they got third, and Covina in which they placed second. They also went to the Glendora, and Monrovia parades. In May they went to National City for a weekend competition.

The Drill Team puts on those great half-time shows during football and during the year goes to Disneyland, and Magic Mountain.

GIRLS LEAGUE

It is probably one of the most active organizations on campus. Every girl attending Charter Oak is automatically a member of Girls League. They sponsor the Freshman day in September which gets the new Frosh. acquainted with school. In December they sponsor the Christmas Ball, in February the Basketball Homecoming, in March the "All Girl Review". Then looking toward the end of the year, the May elections for new Girls League officers, and the June-Senior Tea after Baccalaureate to gather Seniors and parents for the last time. Finally, the end of the year Scholarship for a Senior girl. Also throughout the year they choose an outstanding Senior girl each month which we call the Girl of the Month.

Robyn
I'm glad I got to know you this year, if it wasn't for Elden I probably would have stayed a stranger to you, but anyway I hope you and Elden stay together even though you might be having probler hopefully you'll pass that stage, but at least you know that Elden really love you that could be good and that could be bad but for your own good Robyn don't get all tied up in Elden cause then you won't have nothing left to look forward to. Nothing against Elden but don't make a mistake, but it's your life. But anyway no more lecture I hope all of us can get together and do something during the summer. See you soon

1976-77 Time Capsule

During the 1976-77 School year, many activities have occured not only on our high school campus, but throughout the world. New things have come about during the year, from electing a new President of the U.S.A. to landing a new science lab on Mars. Some of Americas problems have included such items as deep-freezing tempatures in the East, to drought in Northern California. In the Sports World, Bruce Jenner winning the Decathlon in the Olympics, to the Oakland Raiders winning the Super Bowl. Television has created alot of news by showing Alex Hailey's "Roots". It was estimated that over 75 million Americans had viewed "Roots". Today's favorite T.V. shows are "Charlies Angels", "Starsky and Hutch", and "Happy Days". The re-make of the movie King Kong has proved to be a success, because the new version is one of the most popular movies. Other popular movies include; "A Star is Born", "Carrie", and Rocky". Listening to the radio and record albums have become a very popular way of entertainment. Radio stations like k100,kiis, klos, and knx play favorite songs like "Blinded by the Light", "Fly like and Eagle", and "If you Leave me Now". The stations also play songs by popular singing groups like "Chicago", "The Eagles", "Peter Frampton", and "Paul McCartney and Wings". Another form of entertainment is to go to the Beach, the Mountains, Disneyland, and Knott's Berry Farm. Pizza, Hamburgers, and taco's are some of the most enjoyable foods to eat, which can be bought at favorite eating places like; McDonalds, In and Out, and Shakeys.

Every year, there are those people not on the staff that put in their time and effort, and save us from major castastrophe. Insincere as it may sound, this yearbook would not have been possible without them. The entire staff would like to thank these people: Mrs. Janice Jones for her artistic talents in drawing the yearbook cover design: Mrs. Mary Johnson for helping us with our yearbook sales; Mr. John Thomas our representative from the American Yearbook Company; Mr. Polk for helping with some of the photography; and to all of the teachers who willingly (or unwillingly, or even unknowingly) let us out of their classes during deadlines. Also a special thanks to all the students and faculty who helped make this book possible.

As Editor, I would like to thank the following people for their outstanding work; Chris Collins-Photography and Boys Sports, Geralyn Grancich-Seniors, Cindy Steinhart-Underclassmen, Index and Organizations, Cindy Goggia-Girls Sports, Debbie Nixon-Activities, Laura Tamura-Faculty, and to all the other members of the Staff. I would like to give a special thanks to Mr. Allen Kuhlow, our fantastic Advisor, who helped us meet all of our deadlines on time. I'd like to also thank Charter Oak High School for four great years of school, and for giving me the opportunity to be the Editor of the Yearbook.

Jeff Boman

(Reserved for Elden Wade)

To Robyn, The one and only thing I can be proud of oops forever, (besides my car) only kidding. Well it's the end of the year & my last, but it has been the best ever thanks to you. Robyn you've given me so much & never asked for anything in return. I know I haven't been good to you sometimes & I'm really sorry. Robyn I hope that you get everthing in life you want, but most of all I hope that your one thing you want most comes true if you know what I mean. Well thanks for all the little things you've done for me like making stand up & say what I should to people that try to cheat me. Robyn you have only three years left to go then that final days will come if you know what I mean. When that day comes I hope it will be one you'll oops remeber as one of the best in your life! Robyn the next time you mad at me or down just read these words and I hope you'll forget all your problems & things your mad at will be for gotten I Love you So very Much!!! Well I hope you will always oops feel the way you do about me but if you don't I'll understand so don't be afraid to oops tell me. I love you
